UNITED STATES INTERNATIONAL TRADE COMMISSION
Washington, DC

In the Matter of
CERTAIN WOVEN TEXTILE FABRICS
AND PRODUCTS CONTAINING SAME

Investigation No. 337-TA-976

GENERAL EXCLUSION ORDER

The United States International Trade Commission ("Commission") has determined that there is a violation of Section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), in the unlawful importation and sale of certain woven textile fabrics and products containing same that are falsely advertised through the misrepresentation of thread counts.

Having reviewed the record of this investigation, including the written submissions of the parties, the Commission has made its determination on the issues of remedy, the public interest, and bonding. The Commission has determined that a general exclusion from entry for consumption is necessary because there is a pattern of violation of Section 337 and it is difficult to identify the source of falsely advertised products. Accordingly, the Commission has determined to issue a general exclusion order prohibiting the importation of woven textile fabrics and products containing same that are falsely advertised through the misrepresentation of thread counts ("covered products").

The Commission has determined that the public interest factors enumerated in 19 U.S.C. § 1337(d) do not preclude issuance of the general exclusion order, and that the bond during the Presidential review period shall be in the amount of one hundred percent (100%) of the entered value for all covered products in question.
Accordingly, the Commission hereby ORDERS that:

1. Woven textile fabrics and products containing same that are falsely advertised through the misrepresentation of thread counts are excluded from entry for consumption in the United States, entry for consumption from a foreign trade zone, or withdrawal from a warehouse for consumption, except as provided by law.

2. Notwithstanding paragraph 1 of this Order, the aforesaid woven textile fabrics and products containing same are entitled to entry into the United States for consumption, entry for consumption from a foreign trade zone, or withdrawal from a warehouse for consumption, under bond in the amount of one hundred percent (100%) of the entered value of the products, pursuant to subsection (j) of Section 337 (19 U.S.C. § 1337(j)) and the Presidential Memorandum for the United States Trade Representative of July 21, 2005 (70 Fed. Reg. 43,251), from the day after this Order is received by the United States Trade Representative and until such time as the United States Trade Representative notifies the Commission that this Order is approved or disapproved but, in any event, not later than sixty (60) days after the date of receipt of this Order.

3. At the discretion of U.S. Customs and Border Protection ("CBP") and pursuant to procedures that it establishes, persons seeking to import woven textile fabrics and products containing same that are potentially subject to this Order may be required to certify that they are familiar with the terms of this Order, that they have made appropriate inquiry, and thereupon state, that, to the best of their knowledge and belief, the products being imported are not excluded from entry under paragraph 1 of this Order. At its discretion, CBP may require persons who have provided the certification described in this paragraph to furnish such records or analyses as are necessary to substantiate this certification.
4. In accordance with 19 U.S.C. § 1337(l), the provisions of this Order shall not apply to woven textile fabrics and products containing same that are imported by or for the use of the United States, or imported for and to be used for, the United States with the authorization or consent of the Government.

5. The Commission may modify this Order in accordance with the procedures described in section 210.76 of the Commission’s Rules of Practice and Procedure (19 C.F.R. § 210.76).

6. The Secretary shall serve copies of this Order upon each party of record in this investigation and upon CBP.

7. Notice of this Order shall be published in the Federal Register.

By order of the Commission.
